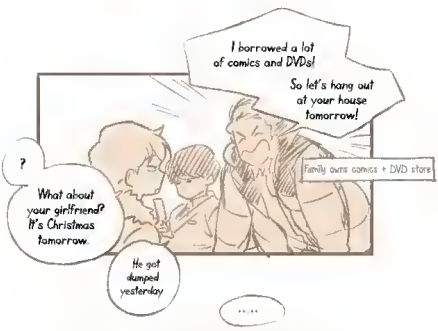
* Christmas When I was 17 *

A brief summary if you haven't read the previous chapters
Woojin and Gayoung were in the same class during their first year of high school-



I borrowed a lot of comics and DVDs!
So let's hang out at your house tomorrow!

What about your girlfriend? It's Christmas tomorrow.
He got dumped yesterday
.....

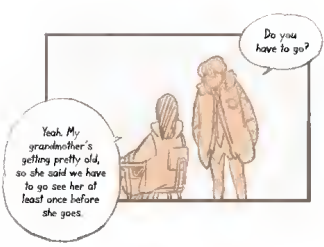
T/N: Although people do celebrate Christmas in Korea religiously, it's not as big a deal as in western countries and it's mostly a day for couples to have dates.

She found out that he was planning to wear a teddy bear costume and sing carols to her in public, so she dumped him.
It was a super romantic plan though..
It's enough to get dumped.
Why go so overboard kekeke

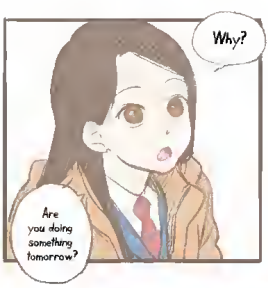
Hey!!
Are you doing something on Christmas?

You're not going anywhere special right?
Then...
I'm going to my grandmother's house.

.....



Do you have to go?
Yeah. My grandmother's getting pretty old, so she said we have to go see her at least once before she goes.



Why?
Are you doing something tomorrow?

A hyung I know said that this movie is awesome
Just turn it on for now.
You can't just call it an erotic movie.
SCRAMBLE
OMMISSLA is more than just porn, it uses fine cinematic skills to convey the overcoming of human lust between a student and old writer...

We can't do this here...
I can't hold back any longer
...SILENCE

Just shut up and watch.

Back to admiring

What bullshit are you going to spout now?
annoyed

Doesn't that actress kinda look like Da Gayoung?
Not at all

I mean not like her face but that slender look....
Da Gayoung would probably look good in a white dress like that too

This one's not good.
Let's watch something else.
Whaddaya mean?
You liked it up until now-!
SLAM

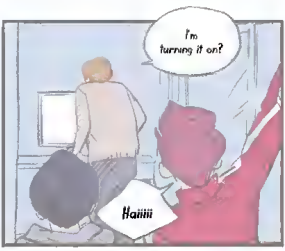
Hey, doesn't it seem like Han Woojin likes Do Gayoung
I dunno He said she's like a younger sister to him.
.....

Hey, Han Woojin!
Sorry!



Hey, let's order some chicken before that
My mom gave me her card.
Cool, if we order now, it should come as the movie ends
Yeah! Thank you Woojin's mom! I'll eat well!

Han Woojin (17)

Back then and now,
he's always been Do Gayoung's protector

And that's how Han Woojin
spent his black Christmas at age 17~
